Submit Your Abstract via an email: apopc08.abst@gmail.com

Submission Deadline: *July 31, 2008*

The 2nd APOPC

Sofitel Centara Grand Bangkok, Thailand

September 11-13, 2008

All First Authors of submitted abstracts must agree to the following.

Abstracts submitted to APOPC are considered both confidential and embargoed from the time of submission. For the study to be eligible for presentation at the 2nd APOPC, information contained in the abstract, as well as additional data and information to be presented about the study at the Meeting, may not be made public before the findings have been presented/published at the Meeting.

APOPC's Confidentiality and Embargo Policies require that, prior to the embargo being lifted, the author, coauthors, and sponsor of the research not:

- 1) publish the information or provide it to others who may publish it,
- 2) release the findings to news media, or
- 3) use the information for trading in the securities of any issuer, or provide it to others who may use it for securities trading purposes.

The First Author is responsible for conveying this information to all parties.

Abstracts must be submitted online via an email. Each First Author will receive an e-mail to verify that APOPC has received the abstract.

For questions regarding the online submission process email:

Abstract Selection Process

Abstracts of superior quality will be selected by the APOPC Scientific Program Committee for presentation at the 2008 Meeting and for publication in the 2008 APOPC *Meeting Proceedings*.

Each First Author will receive a letter of notification (by e-mail) from the Committee regarding its decision on the abstract by early to mid May 2008. Each First Author of a late-breaking abstract will receive a letter of notification regarding the final decision in mid-June.

Types Of Presentations

The presentation format for each abstract will be determined by the Scientific Program Committee. The types of presentations include the following.

Poster Sessions

Selected abstracts are grouped by topic and displayed on poster boards for two days. First Authors should be available at their poster for a minimum of two hours during a poster viewing session to informally answer questions from Meeting attendees.

PUBLICATION ONLY

Abstracts of acceptable quality that are not selected by the APOPC Scientific Program Committee for presentation may be chosen for publication only in the 2008 APOPC Meeting Proceedings.
